

Flymax Badminton Academy

Badminton Classes for Children

At Flymax Badminton Academy, we strive to nurture every child's interest in badminton. We provide badminton skills training for children aged 6 to teenagers aged 17. Varying from levels 1 to 4, the trainings in Flymax are planned to suit the needs of every child's growth development. In every level, we will focus on different aspects of skills and physical training. Our vision is to nurture a generation of proficient and skilful young badminton players.

Flymax Badminton Academy was established in 2003 and was founded by former Thomas Cup Champion and Singapore's Ex-National Coach (Women's Team) Mr Zhang Qing Wu. All our coaches are experienced and dedicated in coaching children of all skill levels. We focus on building the correct foundation for your child because badminton is a lifelong passion.
